

The Ambassador
of the Republic of Poland
to the Court of St James's

London, 2nd April 2019

Ladies and Gentleman!

It gives me a great pleasure to invite you to join the new project of Embassy of the Republic of Poland in London. The initiative consists in organizing classes in British primary schools promoting the beauty of the Polish language and the richness of Polish culture and history, addressed to Polish and British children and young people. I would like to cordially invite you to organize classes entitled „Polish After School Clubs”, during which young Poles and British would have the opportunity to experience the value of Polish speech, culture, tradition, history and geography. The things of great importance of the classes would be to present the history of relations between Poland and Great Britain over the centuries. I am convinced that participation in the classes will be the significant reinforcement for shaping good Polish-British relations among the young generation, which is particularly important today.

I would like the first edition of the „Polish After School Clubs" project to be conducted from September 2019 until December 2019. Moreover, I would be very grateful if the classes finishes by the common school celebration – Polish Day. The School Festival organized by participants of the classes in cooperation with teachers and parents. This event would be the encouragement for the Polish community to share with local school communities the richness of Polish culture. Furthermore, it would be the perfect opportunity to demonstrate traditional Polish openness and tolerance as well as friendship and cordiality.

Please, take a look at the details at londyn.msz.gov.pl and send your proposals by 10 May 2019 to the email address: londyn.polacyzagranica@msz.gov.pl. The results will be announced by 10 June 2019.
